

**UNT**<sup>®</sup>  
UNIVERSITY  
OF NORTH TEXAS<sup>®</sup>

**EST. 1890**

# Frisco Grad Track

Summary of work May'21

June 4<sup>th</sup>, 2021

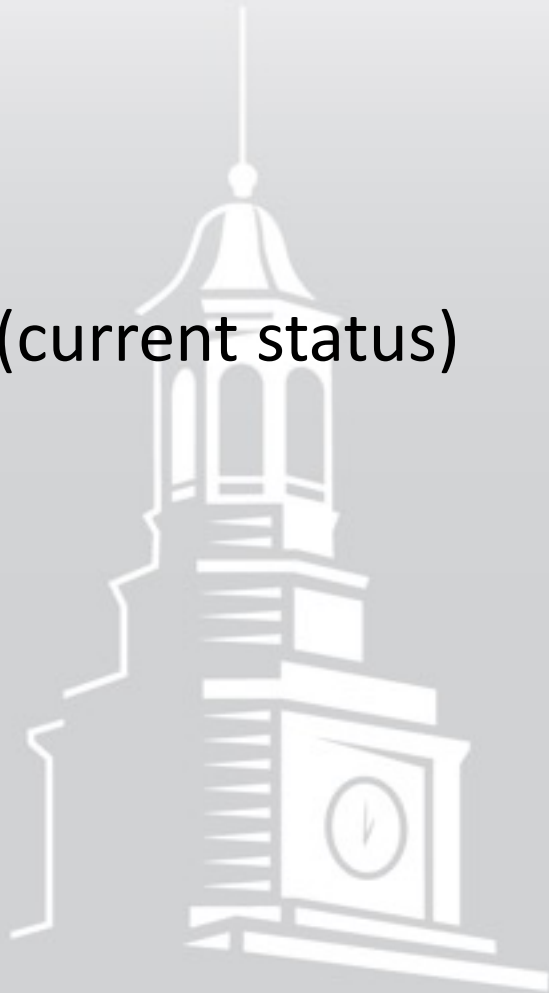

Program Director  
Zain Ali

Graduate Research Assistants  
Neha Singh & Harshitha Swathi

# Agenda

1. Frisco Grad Council
2. Survey Results Review (current status)
3. Key New Programs (3)

# Frisco Graduate Council launched in March 2021 with three objectives

1. Profile
  - **Graduate Council**
  - **Branding events**
  - Advocacy venues
  - **Targeted marketing**
2. Engagement
  - **Guest lectures**
  - Project sponsorship
  - Student & faculty shadowing
  - Professional development
  - Case interviews
3. Partnerships
  - Student internships
  - **Student scholarships**
  - Research projects
  - Program sponsorship

# Frisco Graduate Council: Key Accomplishments & Next Steps

## Accomplishments:

1. Frisco Chamber Survey
2. PMI Discussion
3. CC Scholarship Creation

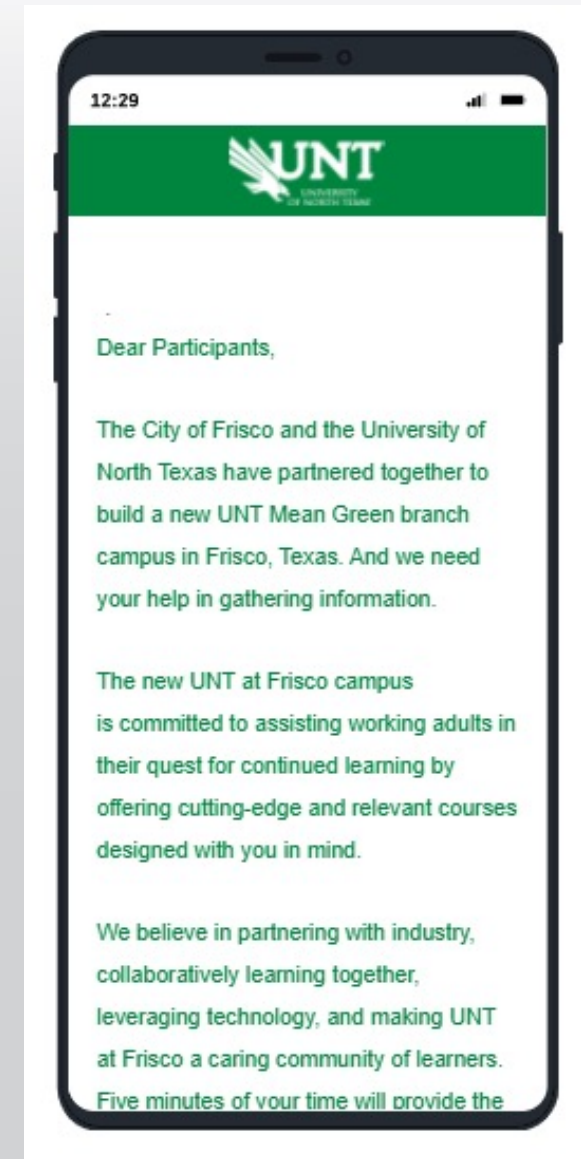

## Long Term Graduate Focus

1. Scholarship award & partner event  
(end of Aug / Sep 21)
2. Frisco Chamber Partnership
3. Collin County Alumni Survey
4. PMI classes finalization

# Frisco Grad & Certificate Survey

- Capturing data for validation of new degree and certificate programs for UNT at Frisco.
- Survey dissemination provides awareness of UNT at Frisco
- Target Audience includes Alumni, Chamber of Commerce, Corporations, etc.
- Survey Link –  
[https://unt.az1.qualtrics.com/jfe/preview/SV\\_6yDHn6jnULPPuXc?Q\\_CHL=preview&Q\\_SurveyVersionID=current](https://unt.az1.qualtrics.com/jfe/preview/SV_6yDHn6jnULPPuXc?Q_CHL=preview&Q_SurveyVersionID=current)

## Companies in which participant's work

- Javeri Jewelers Inc
- Falkestein Schloss Brauerei LLC
- Hot Body Yoga
- Dallas Cowboys
- Mochas & Javas Tx INC
- Amazon.com
- Unquie Montessori Associates
- Epiroc
- Mahnum Flooring
- Careington

Q11 - Which of the following describes your current role best?

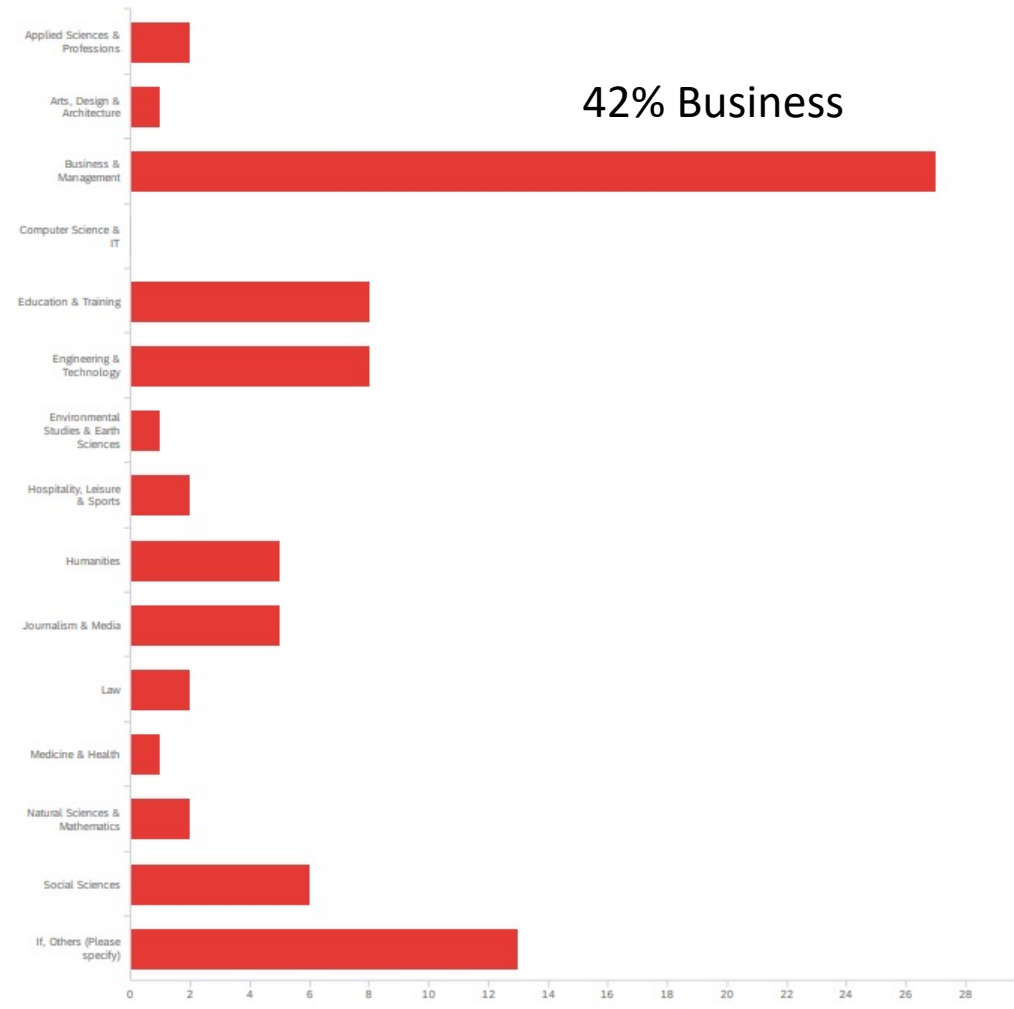

### Q8 - What is your highest level of education?

### Q9 - Where did you complete your highest level of education?

### Q10 - What was your major area of specialization in college?

## Q12 - Which of the following best describes your job profile?

Other (please specify)

Communications

Beer Brewing

Owner of Yoga Studio

Administrative

Real Estate

Professional Development Coaching

Business Owner

clinic

Licensed LNFA - Nursing Home Administrator

Engineering

Landscape Designer

Sales

Owner

Community Relations

Sports Coach

Q14 - Would you be interested in receiving the UNT Frisco newsletter?

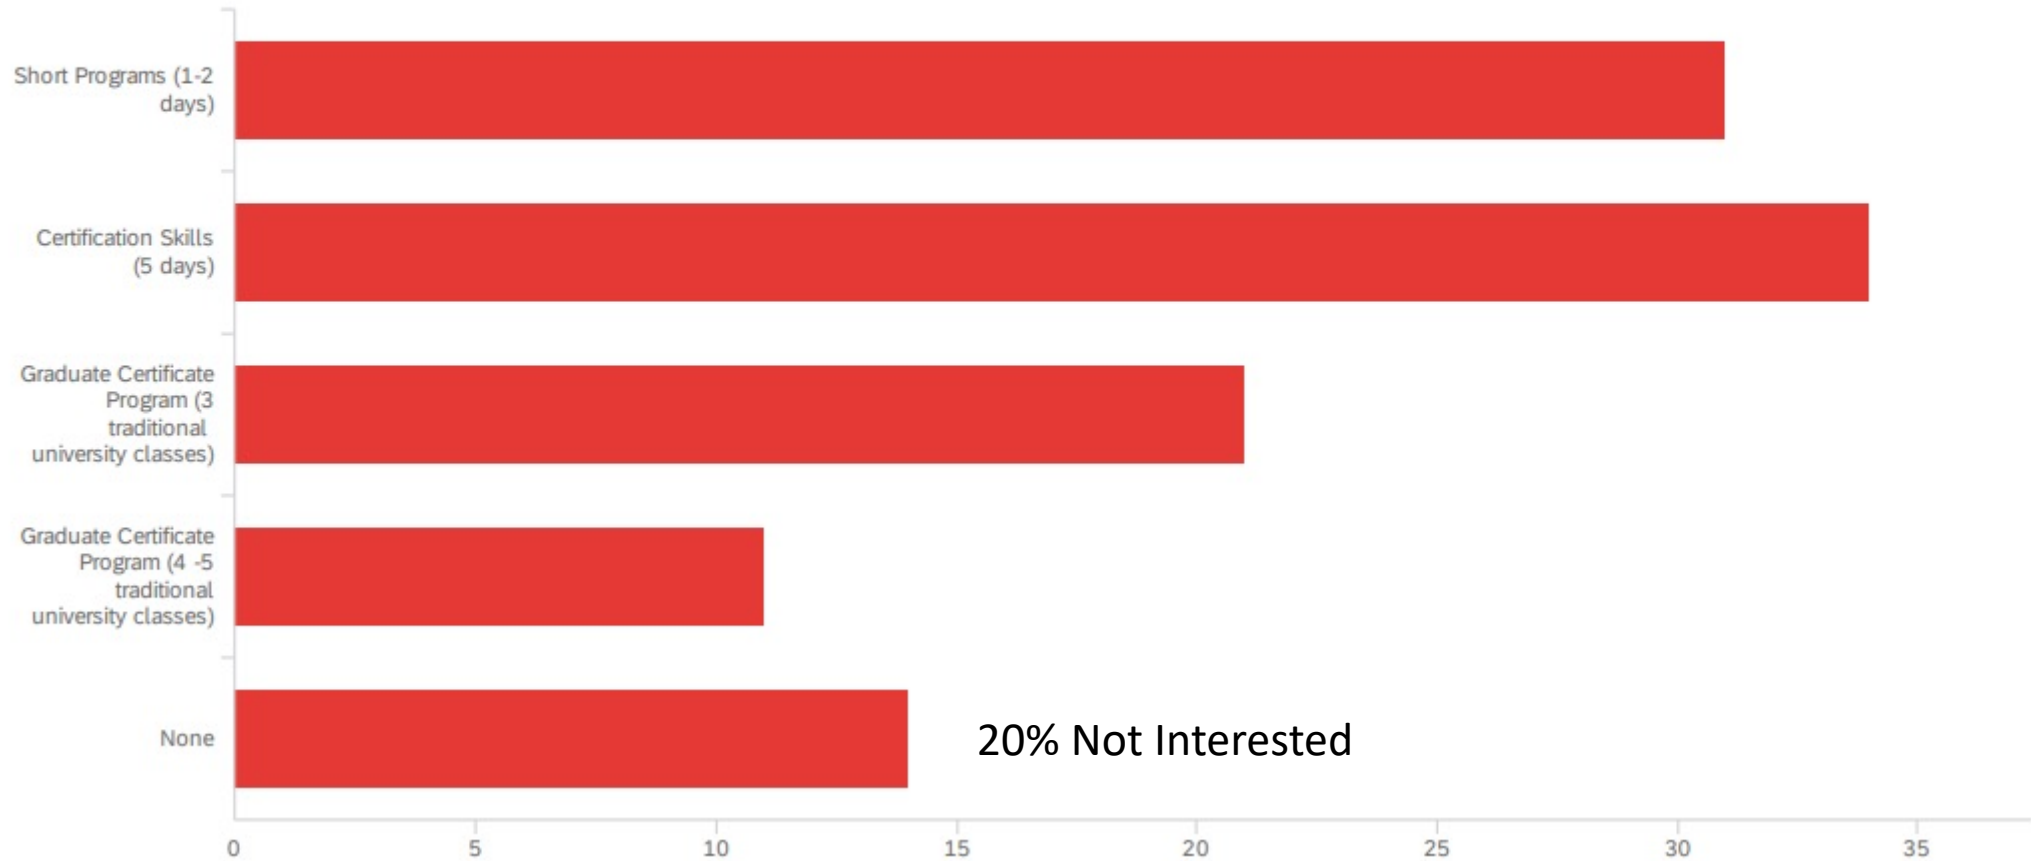

Q15 - Would you be interested in giving back to our UNT at Frisco students by serving as a guest lecturer, mentor, internship provider, competition sponsor, etc.?

## Q1 - Are you interested in pursuing further education?

## Q2 - Would you be interested in professional education to enhance your skills?

### Q3 - What kind of business programs interest you most?

1. Leadership Development
2. Business Strategies
3. Entrepreneurship and Innovation
4. Organizational Behavior & Development
5. Digital Marketing and Sales
6. Project / Program Management
7. Business Analytics

## Q4 - What kind of technical program interests you most? (select all that apply)

1. Data Analytics
2. Artificial Intelligence
3. Data Visualization
4. Cyber Security
5. Information Security
6. Web Development
7. IS Technology
8. Virtual Reality

Q5 - From the following graduate programs offered at Frisco what program would interest

you the most?

1. Interdisciplinary
2. MBA
3. Data Analytics
4. Educational Leadership
5. Sports Management

## Q6 - What is your educational delivery preference?

Hybrid Delivery Model

Weekday evenings  
Evenly split b/w early morning & weekend

## Q7 - At what time would like to take these classes?

# Updated ADTA Frisco Webpage

**Don't just collect data, use data.**

Break into the in-demand field of data analytics and make yourself more valuable to employers with a M.S. in Advanced Data Analytics. As a new student in Fall of 2021, receive a tuition award of \$500 for enrolling in one class and \$1,000 for enrolling in two classes in any of the approved M.S. Data Analytics classes at Frisco.

Industries need experts who can analyze and interpret data to help them understand their risks, increase their profit and grow their business. Break into the in-demand field of data analytics and make yourself more valuable to employers with a M.S. in Advanced Data Analytics (ADTA) available at UNT at Frisco.

Combining big data, statistics and data visualization, this degree will give you a sophisticated understanding of how to use of data and quantitative techniques to help your organization improve its processes. You'll understand the science behind the data because the interdisciplinary coursework focuses on analysis, data structures and domain knowledge.

**UNT UNIVERSITY OF NORTH TEXAS**  
*Discover the power of ideas.*

**Courses**

The M.S. in Advanced Data Analytics is a 30-hour degree, consisting of 7 core courses (21 hrs) and 3 electives (9 hrs).

The accelerated online option provides five start times per year: Fall Semester–August and October, Spring Semester–January and March, and Summer Semester–June. All of our core courses are offered in 8-week sessions during the fall, spring, and summer semesters. We also offer many of our courses during the summer session. For students that want the in-class experience, our core courses are offered at our UNT at Frisco campus and the main campus in Denton in a hybrid format spanning the traditional 16-week semester in the fall and spring. Hybrid courses are a combination of in-class and online curriculum delivery. Regardless of the delivery format a student chooses, they will receive the same course content. By choosing the accelerated online course format, students can complete their degree in as few as 12 months.

**Background**

In order to be successful in the program, a background class in applied statistics, business statistics, ADTA 5100 Fundamentals of Data Analytics or an equivalent course is required.

Visit the [Registrar's website](#) for more information on course registration dates and payment deadlines.

**Jesus Reyes**  
**Advanced Data Analytics**  
 "I received my undergraduate degree in Business Analytics at UNT and received a job offer as a Management Analyst for the Air Force Manpower Analysis Agency before graduating. Even before graduation I knew that I wanted to continue to learn more about Data. Through the Advanced Data Analytics program, I was able to gather more insight into the Data Science world and apply these learning and use real world datasets to gather insights through class projects. Most of the class work was easily transferable to my full-time job."

**Bayan Alfathi**  
**Advanced Data Analytics**  
 "I am an experienced pharmacist and the ADTA program will allow me to pivot into a new field, the ADTA program is an excellent program since the program starts from the fundamental concepts of Data Analytics using functional programming languages combined with statistics while allowing us to have hands on experience and big data visualization. I found the faculty to be very professional, the classes easy to follow and the materials are perfect materials. The assignments are creative while the faculty is open-minded that creates a"

UNIVERSITY of NORTH TEXAS, DENTON  
TOULOUSE GRADUATE SCHOOL

## MS ADVANCED DATA ANALYTICS (STEM - 3yrs OPT)

The Masters of Science with Advanced Data Analytics is designed to enhance the ability to analyze real-world problems and combining big data, statistics and data visualization, this degree will give you a sophisticated understanding of how to use of data and quantitative techniques to help your organization improve its processes. You'll understand the science behind the data because the interdisciplinary coursework focuses on analysis, data structures and domain knowledge.

### CAREER POSSIBILITIES

Data Scientist | Business Intelligence Architect | Business Analyst | Business Process Analyst | Data Warehousing Architect | BI Competency Center (BICC) Professional | Data/Information Architect | Business Intelligence Developer | Predictive Modeler | Predictive Analytics Architect | Data Mining Analyst | Data Analyst | Social Media Analyst | Social Media Analyst | Customer Analytics Modeler

As a new student in Fall of 2021, receive a tuition award of \$500 for enrolling in one class and \$1,000 for enrolling in two classes in any of the approved M.S. Advanced Data Analytics classes at Frisco

### COURSE REQUIREMENTS

Total 30hours master's degree  
18 hours Foundation (Core) and 12hours Electives  
Total 10 courses (6 Core + 4 Electives)

### FOUNDATION COURSES

ADTA 5120 (3 hrs) Introduction to Data Analytics  
ADTA 5130 (3 hrs) Data Analytics I  
ADTA 5230 (3 hrs) Data Analytics II  
ADTA 5240 (3 hrs) Harvesting, Storing and Retrieving Data  
ADTA 5340 (3 hrs) Discovery and Learning with Big Data  
ADTA 5940 (3 hrs) Analytics Capstone Experience

### RECOMMENDED BACKGROUND

Calculus , Statistics

### ELECTIVE COURSES

Sports  
Statistics  
Digital Retailing (Online )  
Health Data Analytics (Online)  
Management (Online)

## MS ADVANCED DATA ANALYTICS (STEM)

### FOUNDATION COURSES (18 HOURS)

COURSE NUMBER	COURSE NAME
ADTA 5120 (3 hrs)	Introduction to Data Analytics
ADTA 5130 (3 hrs)	Data Analytics I
ADTA 5230 (3 hrs)	Data Analytics II
ADTA 5240 (3 hrs)	Harvesting, Storing and Retrieving Data
ADTA 5340 (3 hrs)	Discovery and Learning with Big Data
ADTA 5940 (3 hrs)	Analytics Capstone Experience

### ELECTIVE COURSES (12 HOURS)

#### TRACKS (SELECT ONE)

##### GENERAL FOCUS

ADTA 5250 (3 hrs)	Large Data Visualization
ADTA 5550 (3 hrs)	Deep Learning with Big Data
ADTA 5560 (3 hrs)	Recurrent Neural Networks for Sequence Data

Select one elective from any of the tracks below.

##### SPORTS

MGMT 5490 (3 hrs)	Consulting for the Sport Entertainment Industry
MGMT 5401 (3 hrs)	Talent Management in the Sport Entertainment Industry
MKTG 5261 (3 hrs)	Corporate Partnerships in the Sport Entertainment Industry
RESM 5520 (3 hrs)	Strategic Marketing for Sports and Event Organizations
RESM 5530 (3 hrs)	Sport Law and Risk Management
RESM 5600 (3 hrs)	Sport in the Global Marketplace

##### STATISTICS

BIOL 5130 (3 hrs)	Biostatistics I
MATH 5810 (3 hrs)	Probability and Statistics

Choose any two from below options

BIOL 5140 (3 hrs)	Biostatistics II
BIOL 5810 (3hrs)	Biocomputing
BIOL 5820 (3 hrs)	Computational Epidemiology
MATH 5700 (3 hrs)	Contemporary Mathematics
MATH 5820 (3 hrs)	Probability and Statistics

##### DIGITAL RETAILING

MDSE 5240 (3 hrs)	Global Retailing
MDSE 5710 (3 hrs)	Digital Optimization
MDSE 5750 (3 hrs)	Digital Retailing

Choose any two from below options

CMHT 5440 (3 hrs)	Consumer Theory
CMHT 5600 (3 hrs)	Managing Customer Experiences

##### HEALTH DATA

HLSV 5300 (3 hrs)	Information Systems for Healthcare Management
HLSV 5450 (3 hrs)	Health Services Administration
HLSV 5740 (3 hrs)	Financial Issues in Health Services Administration
HLSV 5820 (3 hrs)	Marketing Health Services

##### MANAGEMENT

MGMT 5140 (3 hrs)	Organizational Behavior and Analysis
MGMT 5760 (3 hrs)	Strategic Management
MGMT 5870 (3 hrs)	Leadership Research and Development

Choose any two from below options

MGMT 5120 (3 hrs)	Managing Organizational Design and Change
MGMT 5300 (3 hrs)	Entrepreneurship and Venture Management

# Updated INSD Web page

## Get broad training for career development.

UNT at Frisco master's program in Interdisciplinary Studies invites you to explore degrees which integrate experience, research and training from multiple paths.

UNT at Frisco has a range of academic paths for graduate students to choose. However, if you are looking for an academic program that blends multiple disciplines and fits your career path, a master's degree in Interdisciplinary Studies may be the right choice for you.

The program prepares you to examine and solve complex problems as you draw on knowledge and skills from more than one academic field. You will learn to sift through information and produce a body of work that synthesizes multiple perspectives, arriving at a more comprehensive understanding of the important issues.

Continue to hone your skills and be industry ready with broad training & advanced research!

### Meet Your Graduate Counselor

**Jasmine Quezada, M.Ed.**, is here to help you navigate your degree in INSD and UNT at Frisco. From start to finish she has the tools and knowledge to help you apply, choose the right courses for you, and make sure you can finish on your schedule.

Jasmine also can answer any questions you have about the Tuition Award that all new students in Fall 2021 qualify for when they enroll in courses.

[EMAIL THEM AT JASMINQUEZAD@UNT.EDU](mailto:JASMINQUEZAD@UNT.EDU)

### INSD Program Director

**Billy C Roessler, Ph.D.** leads the Interdisciplinary Studies program and will be your advisor during your studies at UNT. His extensive academic background in mathematical sciences and research focused on Interdisciplinary studies gives him the foundation to support each INSD student through their individual academic journey.

[EMAIL THEM AT BILLYROESSLER@UNT.EDU](mailto:BILLYROESSLER@UNT.EDU)

## Program Requirements

- Primary concentration (12 to 18 hours) - No more than 18 hours (including thesis and special problems courses) may be taken under any one course prefix or subject field.
- Second concentration (Two additional disciplines) - You will choose two separate fields of study with at least 6 hours of credit in each field.
- Third concentration - 6 hours of Interdisciplinary Courses (INSD 5110 & INSD 5940)
- You must successfully complete the INSD capstone course to complete the INSD degree.
- A total of 30 graduate credit hours are required for graduation.

APPLIED DATA SCIENCE

SOCIAL SCIENCES

APPLIED ANALYTICS

HEALTH DATA ANALYTICS

SELF-STYLED

The courses required for the applied data science concentration are listed below. The remaining 15 hours are distributed across two fields. Students work with an advisor to identify appropriate and relevant supporting fields.

- [ADTA 5120](#) (3 hrs) Introduction to Data Analytics
- [ADTA 5130](#) (3 hrs) Data Analytics 1
- [ADTA 5230](#) (3 hrs) Data Analytics 2
- [ADTA 5250](#) (3 hrs) Large Data Visualization
- [INSD 5940](#) Interdisciplinary Capstone Experience

## Program Structure

The Interdisciplinary Studies program offers you a high degree of flexibility in designing a program of study that cuts across disciplinary boundaries. Applicants to the master's program can adopt one of the two approaches—

A Self-styled plan: can be designed with existing courses from almost any graduate area of the university to address a particular intellectual interest not met by any specific degree program available.

OR

A Recognized concentration: provides plans that are built around predefined interdisciplinary themes and may offer you more initial structure regarding the coursework.

# Credits for Prior Learning Assessment (PLA)

Universities provide credit for masters based on the following terms.

1. Industrial certificates and professional courses
2. Workplace learning
3. Vocational and technical training
4. By exam (CFA,CMA,CFP, CIMA)
5. Military education and training

S.No	Universities	Certificates
1	Southern New Hampshire University	CDIP, CFE, Six Sigma Black, CompTIA, SHRM-CP, RHIA,PHR,
2	Central Michigan University	CMP, GPMC, PgMP, PMP, CAPM,CFRA,CPLP,SHRM-CP, PHR
3	Texas State University	Up to 6 hours of credit for programs with 30 to 36 hours of credit
4	Middle Tennessee State University	Department approval
5	Purdue University Global	PMP, MTA, CompTIA Security+, CASP , CySA+ , (ISC) <sup>2</sup> , Oracle
6	University of Maryland Global	PMP (4xx level)

# Graduate Recruiting Activities

1. Chambers of Commerce
2. Corporations
  - nThrive Technology
  - nThrive operations
  - USAA
  - Bank of America
3. College of Information – International Students
4. Targeted International Students

# 1. MS INSD - Program Leadership

## LTEC Graduate Certificate – Min of 4

1. Project Management (LTEC 5660)
2. Advanced Project Mgmt. (LTEC 5900)
3. Technology Entrepreneurship (LTEC 5650)
4. Organizational Development & Technology Change (LTEC 5640)
5. Distributed Leadership (LTEC 5670)

## INSD Mandatory Classes & Frisco Options

- Required (2 classes): INSD 5110 & INSD 5940 (Capstone)
- ATDA Data Analytics Concentration: Intro to Data (5120), Harvesting Data (5240), Big Data (5340) and Data Visualization (5250)
- INSD Social Sciences: Digital Social Science (5200), Information Theory (5210), Digital Research Methods (5220)
- Open Electives (Graduate level class in consultation with advisor)

Note: LTEC 5660 and 5900 could lead to PMI – PMP & PgMP Certificates.

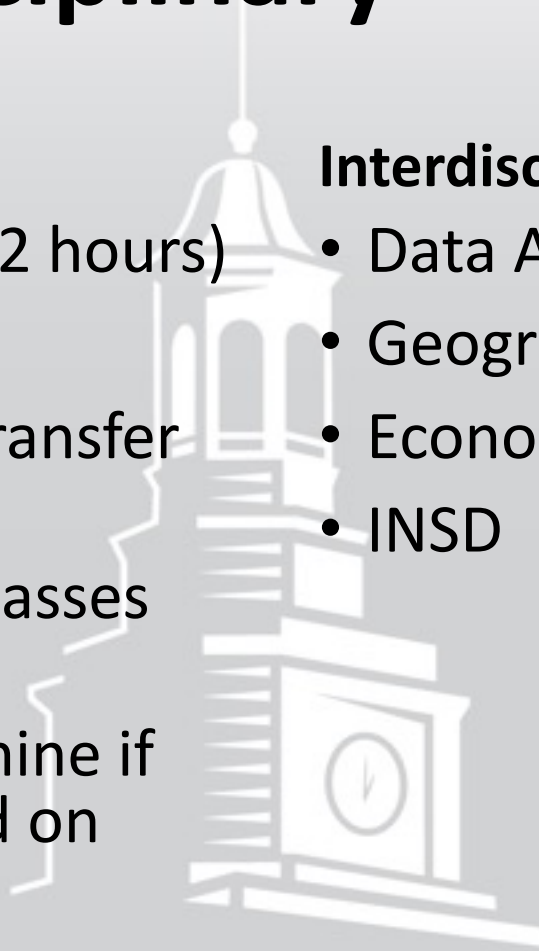

## 2. PhD - Interdisciplinary

### Program Details Conceptually

1. Total of Master & PhD (72 hours)
2. 42 hours of PhD classes
3. Accept graduate credit transfer courses
4. Common shared CORE classes and then college track
5. Holistic review to determine if std test is required based on experience & GPA

### Interdisciplinary Partners

- Data Analytics
- Geography
- Economics
- INSD

# 3. Stackable Micro Credentials (conceptual)

## Rebranding of existing programs

1. Project Management (LTEC 5660)
2. Advanced Project Mgmt. (LTEC 5900)
3. Technology Entrepreneurship (LTEC 5650)
4. Organizational Development & Technology Change (LTEC 5640)
5. Distributed Leadership (LTEC 5670)
6. Intro to Data (ADTA 5120)
7. Harvesting Data (ADTA 5240)
8. Big Data (ADTA 5340)
9. Data Visualization (ADTA 5250)

## Offering with existing UNT or new classes

1. Sales (Prospecting / Consultative Selling)
2. Digital Marketing
3. Six Sigma
4. Agile (PMI - ACP)
5. Dev Ops (AWS)
6. Security
7. Risk Management (PMI - RMP)

Note: LTEC 5660 and 5900 tied to PMI – PMP & PgMP Certificates and build (Risk Management) & ACP (Agile) classes  
Professionals could stack 8 classes with min of 3 similar classes plus take INSD 5110 and 5940 to get a MS INSD degree

# Appendix

# Credits for Prior Learning Assessment

Universities provide credit for masters based on the following terms.

1. Industrial certificates and professional courses
2. Workplace learning
3. Vocational and technical training
4. By exam (CFA,CMA,CFP, CIMA)
5. Military education and training

S.No	Universities	Certificates
1	Southern New Hampshire University	CDIP, CFE, Six Sigma Black, CompTIA, SHRM-CP, RHIA,PHR,
2	Central Michigan University	CMP, GPMC, PgMP, PMP, CAPM,CFRA,CPLP,SHRM-CP, PHR

4	Middle Tennessee State University	Department approval
5	Purdue University Global	PMP, MTA, CompTIA Security+, CASP , CySA+ , (ISC) <sup>2</sup> , Oracle
6	University of Maryland Global	PMP (4xx level)

# Southern New Hampshire University

## Industrial Certificates

- **Certified Documentation Improvement Practitioner (CDIP)** - HIM-600 (Managing Compliance)
- **Certified Fraud Examiner (CFE)** - ACC-646 (Introduction to Forensic Accounting/Fraud Examination)
- **Six Sigma Black Belt Certification** - QSO-625 (Six Sigma for Black Belt Certification)- Need minimum score of 540
- Many other certificates of (5xx) and (6xx) level

**CCM, CDIP, CFE, CHDA, CPSM, CSCP, Level 1 CFA, PHR, RHIA, SHRM-CP**

## IT Certificates

- **MITx Certificates, Thinkful Certificates,**

<https://www.snhu.edu/admission/transferring-credits/work-life-experience>

# Central Michigan University

## Certification-to-Credit Program

- Credits will be applied to student's degree after you complete 6 credits (2 courses) of your program at CMU with a 3.0 or higher GPA.
- There is no cost for the credits you are awarded in the Certification-to-Credit Program.
- Certifications will come in as transfer credit; therefore, they may or may not transfer to another institution.
- Many Certificates - **CAPM, CFRA, CGFM, CPP, CISSP, CLTD, CMPE, CPRP, CPRA, CPIM, CPLP, CPM, CRA, CSCP, CFA, FACMPE, GPMC, CMC, MMC, PHR, PgMP, PMP, RHIT, SPHR, SHRM-CP, SHRM-SCP.**

These certificates can be applied toward the Master of Science in Administration degree with a concentration in General Administration\*, Leadership\*, or **Project Management\***.

- Certified Professional in Management.(CPM) – 6 Credits
- Google Project Management Certificate (GPMC) – 6 Credits
- Program Management Professional (PgMP) – 9 Credits
- Project Management Professional (PMP) – 9 Credits

# Texas State University

## Prior Learning Assessment

Prior Learning Assessment (PLA) is the process for awarding course credit for specific knowledge and skills the student has acquired outside of an institution of higher education, prior to beginning the student's program of study at Texas State University. PLA must always be tied to official student learning outcomes of a specific course at Texas State and that course requirement is then waived for the student.

There are a limited number of credits that can be waived through PLA, which depend on the number of credits in the degree program. Approved PLA credit may be applied to a graduate degree program as follows:

- up to 6 hours for degree programs with 30-35 credit hours,
- up to 9 hours for degree programs with 36-41 credit hours, and
- up to 12 hours for degree programs with 42+ hours.

(Note that the total approved PLA credit and approved course transfer credit together must not exceed those amounts.)

PLA is program-specific, not all programs have approved PLA processes, and requirements may differ from program to program. If a program allows PLA credit, specific requirements are described on the overview section of that program's catalog entry.

<http://mycatalog.txstate.edu/graduate/registration-course-credit/course-credit/>

# Middle Tennessee State University

PLA will be provided to the student after department approval, and it differs from program to program.

## **Master of Professional Studies**

The MPS is an interdisciplinary graduate degree program designed for working professionals who wish to earn a graduate degree in their area of expertise and excel in their careers. Concentrations include Human Resources Leadership, Strategic Leadership, and Training & Development.

# Purdue University Global Campus

- Students can earn credit for the following IT certifications / examinations if they were completed within the past 3 years.
- Industry Certificate - Project Management Institute: **PMP (Project Management Professional)**
- **Many other Certificates – MTA, CompTIA Security+, CASP , CySA+ , (ISC)<sup>2</sup>, ISC2 SSCP , ISACA - CISM (Certified Information Systems Manager), ISACA CompTIA Project+, Axelos Prince2 (2-part process), CEH , CHFI, GCHI, GIAC, Oracle.**

<https://www.purdueglobal.edu/alternative-college-credits/it-certification-exams/>

# University of Maryland Global Campus

This university provides credits for all five terms.

Industrial certificates that are equivalent to credits in masters, also the certificates must be active to be eligible to transfer.

- Industry Certificate – **Project Management Professional (PMP)**
- Course equivalent – **Information System Project Management**
- 3 Credits, IFSM – 438
